

**GSA AND NIGA INVITE YOU TO  
A TECHNICAL DIALOGUE CONCERNING THE PROPOSED  
NIGC CLASS II TECHNICAL STANDARDS**

---

The Gaming Standards Association (GSA) and the National Indian Gaming Association (NIGA) are pleased to announce that they are co-sponsoring a session to facilitate the review of the "NIGC Class II Technical Standards" on December 16<sup>th</sup> & 17<sup>th</sup> at the Mandalay Bay Resort Hotel & Casino in Las Vegas, NV. We should emphasize that the NIGC has split its proposal into two parts: 1) game classification standards; and 2) technological standards. This meeting concerns the technological standards, not the game classification standards.

The session is being held at the request of the National Indian Gaming Commission and all comments made during the session will be recorded and submitted to the NIGC as input to the document.

You are invited to attend this session. Please RSVP to Courtney Roberts, GSA Coordinator at phone: (510) 744-4007 or fax: (510) 608-5917 or E-mail at [croberts@gamingstandards.com](mailto:croberts@gamingstandards.com). A block of rooms has been reserved at the Mandalay Bay Resort Hotel & Casino; please call 1-877-632-7800 to reserve your room for \$89/night.

GSA and NIGA would like to thank the Mandalay Bay Resort Group and the Seminole Tribe of Florida for their generous support of this event.
